

Any Show. Anywhere. Any Time. Anyhow.

At Logistics Associates, our mission is all about you and where your show needs to be.

And we mean anywhere in the whole wide world.

Logistics Associates is a "third party" transportation logistics provider. We do for cargo what travel agents do for passengers.

We always provide the best transportation solutions for our clients, utilizing the most reliable service providers.

Because, like time and tide, trade show customers and audiences wait for no one.

Logistics Associates offers time and cost effective air, ground or ocean based shipping solutions for:

- Trade Shows
- Exhibitions
- Concerts/Stage Shows
- Conventions
- Conferences

With an extremely reliable transportation network, and more than 30 years of front line experience, you'll be hard pressed to find a better, smarter, faster or more dependable way to get to any show...anywhere...any time...any how than us.
